

Class 28: Client Presentations

- Prototyping Reflection
- Project Presentation Pitch + Demo

Activity: Prototyping Reflection

Complete your handout.

Presentations

1. Set up your demo in the classroom.
2. Visit the demos of your peers.
3. When the instructor (i.e. client) visits your demo, present your pitch and demo.
4. Have fun!

It's really exciting to see what your peers have created. Enjoy the showcase and celebrate what you and your peers have accomplished this semester!

Thanks!

Thanks for joining me with this experimental class. I appreciate your flexibility and willingness to try new things.

I hope you have a great summer and best of luck in your future endeavors!
