Information Science 3rd Semester Petition

This petition is intended for those who would like to extend their MPS degree to 3 semesters. If you are interested in extending your MPS degree to an additional 3rd semester, please fill out this form. Please keep in mind you will be charged full tuition and student health insurance for the extra semester, and you must enroll in at least 12 credits with a minimum of 6 MPS-related credits. This form needs to be returned to Program Coordinator, Barbara Woske, bae2@cornell.edu via email. Once a decision has been made you will receive an email confirmation.

For International students please contact the International Students and Scholars Office to extend your I-20 form so that you do not fall out of immigration status.
